## PRICING STARTING AT \$175

You have had the glam session, put on your sexiest lingerie, and even printed some pictures. Now it's time to take your boudoir art to the next level! Body By Meg is a BODY POSITIVE Portrait Artist. Her goal is to help people see the work of art that their body is! Every body is unique and different and beautiful. Every work is a custom order hand painted by Megan Steinlage, with 20+ years making and instructing painting. All types of portraiture available from family photos to professional headshots, senior portraits, pet portraits, and most all in between!
