

ABOUT US

CAPS Summer Camp is an exciting and fun-filled experience for all toddlers and preschoolers in the Chestnut Hill vicinity, ages 15 months to Pre-Kindergarten! You don't have to be a current student!

Our summer camp offers a wide variety of activities, including music and movement, creative art, outdoor water play adventures, and lots of love and nurturing. Each week presents a new theme for discovery, fun and learning!

We pride ourselves on creating a safe and inclusive environment with experienced staff where children can explore the world around them.
