2 Tim. 3:16 "...equipped for every good work." January 27, 2018

Will God Really Forgive Me?

I sure that every person has thought about this question. Many people feel that they have done such bad things (sins) that God does care about them or He won't forgive them. **THIS IS NOT TRUE!** God does love and care about you. John 3:16. His love, grace and forgiveness never fails nor grows old. Have you considered that God love us sinners more than his own son. Romans 8:32. Christ took our sins to Calvary. He paid for our mistakes!

The Old Testament prophet Isaiah showed the way back to GOD. Isa 55:7, Let the wicked forsake his way, And the unrighteous man his thoughts; let him return to the Lord, And He will have mercy on him; And to our God, or He will abundantly pardon.

The prodigal son is a great example of how we leave God and get so far away. Until we understand there is food in the Fathers house. That food is Forgiveness, Love, Grace, acceptance. To find forgiveness and GRACE we must make the trip home! NO matter Were in life we find ourselves, Let us start the trip back to the Father's house. Read Luke 15:11-31.

Think about how bad the Saul (Pau;) was. He KILLED and punished Christians yet He obeyed and was forgiven. Noah drank! Abraham lied! Jonah ran! Peter denied! We Sin! But God does love and forgive us. **YES GOD WILL FORGIVE YOU and RESTORE YOU** but we must seek Him. Let us accept forgiveness and learn to live in GRACE. Think about 1 John 1:7. If you need help finding forgiveness, PLEASE ASK for help.

The Power of BLOOD!

In his book *Written in Blood*, Robert Coleman tells the story of a little boy whose sister needed a blood transfusion. It was explained to him and his parents by the doctors that since he had recovered from the same disease that his sister was suffering, but not responding to treatment that the little boy's blood could possible save her life. When the little boy was Asked by the doctors if he would give his blood to his sister, He replied, "sure for my sister".

Soon the two children was wheeled into the hospital room for the procedure. Mary pale and thin; Johnny robust and healthy. As Johnny watched his blood begin to flow in the tubes, He ask the Dr. "When will I start to die?" Little Johnny thought he would have to die so his sister could live.

Fortunately, Johnny did not have to die to save his sister.

Each of us has a disease far more serious than little Mary's. Our disease of "SIN" required that not only the Blood of Jesus was required but HIS LIFE was given that we might live. John 3:16.

Think about this:

To be created in the image of God means that we humans have the ability and the privilege of knowing, serving, and loving God, and that we are most fully human when fulfilling our spiritual potential. Every human life is precious to God, and this is exactly how we should treat the people with whom we share the world.
