## REASONS I BELIEVE THE BIBLE IS GOD'S INSPIRED WORD

Ecc. 12:12 says "of making many books there is no end, and much study is wearisome to the flesh." The Bible is just one book out of thousands. YET NONE is like it. The Bible has been and continues to be the BEST SELLER in all the world. The Bible has been and will always be "GOD'S BOOK". Those who don't believe the Bible is God's inspired word has never read it for themselves. The Bible endures all time and will stand test of close examination. Matt. 24:34-35 "Assuredly, I say to you, this generation will by no means pass away till all these things take place. Heaven and earth will pass away, but My words will by no means pass away. Here are some reasons that I Believe the Bible is Inspired. Think on them.

1. Because of the Bible's Origin. 2 Tim 3:16-17
2. Because of the details recorded in the Bible. Books that men write are usually targeted to one group or another. Not so with The Bible. It teaches all areas and all ages and all people in great details.
3. The Bible is always up to date. We need to study the Bible to understand today's problems and Let the Bible give us the solutions that will never fail.
4. The Bible holds the key to the past, present and future. It tells me who I am! Where I came from and Where I am going.

5. The Bible Satisfies the human heart as no other book can do. Read and Think about John 6:63.

6. The Bible is the ONLY SENSIBLE CONCLUSION. God has not created man and left us to wonder about How to live. God has given us the Manual of living life. Let us accept and obey It!

The Bible is a great gift from God. Let us Enjoy it.
