## Things Needed for Happiness

Many are searching for happiness today! The many various activities that people engage in today is really just a search for happiness and contentment. Consider a few thoughts that leads us to happiness.

1. A Good Conscience. Being right with self. The conscience is either an accuser or an excuser of the things we do.
2. Optimism is a great part of happiness. Seeing the Good before the bad. Looking for the positive not the negative.
3. Overcoming guilt is necessary! Being able to move past our past! Guilt robs us of energy and happiness. Read and study Phil 3:13-14. Don't let yesterday's acts steal away the joy of today. Let God forgive us of past sin by the blood of His Son and His Grace and Mercy. John 3:16
4. Let to trust God. We may not know what will happen tomorrow, but we do know God holds tomorrow. Let God handle the future and Let us commit to seek Him today.
5. Accepting responsibility is essential to happiness. We must use the talent that God has given us! Consider the one talent man, he was not happy knowing that he had been unprofitable with what the master had given him.
6. Have something to believe in, something to stand and being true to our beliefs. Life is filled with hard aches and pain when we compromise our standards.
7. True Happiness comes from Being Right with GOD!
