RULES

1. Have fun and stay hydrated!
2. Safety for all shooters, workers, etc. is paramount. Anyone acting reckless will be asked to leave the event.
3. The hike is open Friday 10-6, Saturday 8-5, and Sunday 8-5. Practice Range and check in table will open approx. 1 hour before hike begins.
4. All archery equipment acceptable
5. Hikers should shoot from the trail marker (feel free to move up if uncomfortable with the distance or difficulty). Use trail guide for GPS coordinates and clues to what's ahead at each trail marker.
6. Respect the property. Leave no trash behind. What you pack in needs to come out. Use the available porta-johns at cabin if nature calls.
7. Rain or shine, the arrows will fly.
8. All participants must sign the Liability Waiver prior to hiking/shooting. We will email you a copy once we receive your entry form. Please read, sign, and email back prior to shoot.
9. Any participants 16 or younger must always be accompanied by an adult.
10. Practice range is open to all shooters. It will open approximately 1 hour prior to trail opening to fine tune your gear.
11. Make sure to check shooting lanes for non-target bystanders prior to shooting.
12. Most of the hike is in the woods, however, if its sunny sunscreen will be a good idea.
13. Absolutely no alcohol or drugs permitted at the event. Violators will be asked to leave.
14. Field tips are the only permitted head for your arrows.
15. Range finders and binoculars are recommended. They will help you! Bring them if you have them.
16. Each Hiking Permit receives a raffle ticket for a new bow. Additional raffle tickets can be bought- (1) for \$5, (3) for \$10, (10) for \$20. You do not need to be present to win.
17. Trail Guides include a scorecard if you want to keep track at how bad your buddies' archery skills are. Scoring is simple VITALS = 5 POINTS, NON-VITAL = 2 points, MISS THE ANIMAL = 0 points.
18. Video and picture sharing on social media is encouraged. Please tag @archeryhike or #archeryhike to all your social media posts!
19. Remember, we all love the outdoors and the peace it brings us. HAVE FUN!!!

Notes

1. Bring proper hiking footwear. Your ankles will appreciate it. The hike consists of uphill, downhill, and valley traversing.
2. Each trail marker has (2) targets. Shoot the "A" course first then hike through a second time and shoot "B" targets.
3. Prepare for ticks and other insects. Afterall, you are hiking in the woods.
4. Cell phone service is marginal at the cabin. Service should be available throughout most of the hike.
5. This is a small venue. A limited number of Hiking Passes will be available each day. Parking will be tight. Have patience! A parking attendant will be active during busy times.
