Dear (Salutation)

2022 Aussie Investment Tour - Britney & Associates

On behalf of Britney & Associates and the Australian investment team, I would like cordially to invite you to attend the 2022 Aussie Investment Tour from Sunday 3 July to Sunday 10 July 2022.

We all know that the Covid-19 pandemic has put our lives “on hold” for much of the last 2 years. But with Australia opening its international borders in January 2022, its time to again pursue our normal international lifestyle and realise our investment dreams.

My team at Britney & Associates seeks to provide an itinerary that allows you to explore migration pathways for Australia and introduce you to investment projects giving a strong financial foundation for you and your family.

Key highlights of the 2022 Aussie Investment Tour include:

- Presentation by the Queensland Government about investment and migration priorities
- General legal and financial advice about establishing a company in Australia to realise your investment dreams
- Introduction to several investment projects currently underway in Queensland
- Overview of the local housing market, as well as school and university education options
- **“Experience the Dream”** activities to give you a taste of the Aussie lifestyle from the glamorous Gold Coast strip to the iconic Aussie bush environment, culminating with the official investment tour dinner on Brisbane’s famous Paddle Steamer, The Kookaburra Queen, for a leisurely river voyage to see Brisbane by night.

Britney & Associates is very excited to offer you the 2022 Aussie Investment Tour. My team and I have striven to deliver a program that will provide you with all the necessary information you will need to take the next step for you and your family’s life journey.

Attached is the detailed 2022 Aussie Investment Tour program. I look forward to welcoming you to Queensland Australia.

Best regards,

Britney Do
