

FAITH LAND CHURCH INTERNATIONAL

Building Renovation Prophetic Decree & Declaration

We decree and declare that our buildings are fully renovated and completed in Jesus' name. Every classroom, every lounge, every computer lab, and every space is fully operational, furnished, and supplied with everything we need. The Archbishops' suite is renovated and furnished with excellence, top-of-the-line furniture, and every detail perfected. Our multipurpose hall is alive with operational ministries, classes, and gatherings that glorify God.

We decree that our youth center is fully established and thriving. We have faithful workers and volunteers to run our tutoring center, after-school program, skills lab, and mentoring program. The funding is already in place, and resources flow quickly, fast, and in a hurry. Whatever we believe God for shall manifest. Everything we ask is YES, for we believe and receive what we declare.

We declare that our buildings are equipped with new tables, chairs, and a fully commercial kitchen. These facilities will serve as a hub of restoration, providing hot meals for our children and our community. Our church buildings are not just for worship, but for transformation—meeting both the spiritual and natural needs of the people.

We decree that every room, every hall, every space will produce millions in revenue to advance the Kingdom. We will teach people to become homeowners, landlords, and even banks. We shall be lenders and not borrowers, the head and not the tail, above only and not beneath.

We declare that our community will find refuge, resources, and restoration within these walls. This is the Lord's doing, and it is marvelous in our eyes. In Jesus' name, it is so—and it shall not be otherwise.
