

THE EUROPEAN TOUR OF A LIFETIME!

Congratulations, European Traveler!

Get ready to expand your musical horizons with the tour of a lifetime to Europe in 2026! You're eligible as a student nominated by your director for this amazing opportunity!

Dear European Traveler,

Congratulations! You have been selected by your music director to receive this invitation for a musical performance tour of Europe during the summer of 2026.

The Star of Kansas is a select honor concert group composed of students from Kansas, chosen through director nominations. The 2024 tour was a huge success with over 200 participants from Kansas and we anticipate another outstanding tour in 2026.

More information about the tour may be found by scanning the QR Code in this brochure. You'll also find a list of meetings in your area, where complete details regarding the tour will be provided.

The tour, scheduled for June 15–30, 2026, continues the 43-year tradition for our state established by the Kansas Ambassadors of Music, with over 9,000 travelers having visited and performed in Europe.

Congratulations on being selected! We look forward to seeing you and your parents at the meeting in your area.

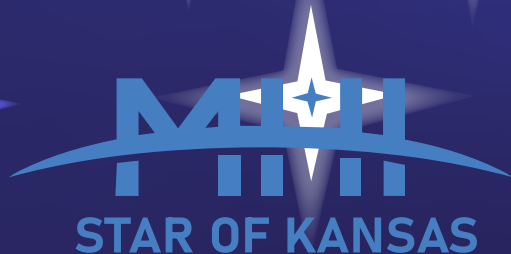

Sincerely,

Charles Forsyth
