

THE EUROPEAN TOUR OF A LIFETIME!

Congratulations, European Traveler!

Get ready to expand your musical horizons with the tour of a lifetime to Europe in 2026! You're eligible as a student nominated by your director for this amazing opportunity!

Dear European Traveler,

Congratulations! You have been selected by your music director to receive this invitation for a musical performance tour of Europe during the summer of 2026.

The Star of Montana is a select honor concert group composed of students from the state chosen through director nominations. The 2024 tour was a huge success with nearly 200 participants from Montana and we anticipate another outstanding tour in 2026.

More information about the tour may be found by scanning the QR Code in this brochure. You'll also find a list of meetings in your area, where complete details regarding the tour will be provided.

The tour, scheduled for June 21–July 6, 2026, continues the 25-year tradition for our region established by Northern Ambassadors of Music, with over 2,000 travelers having visited and performed in Europe.

Congratulations on being selected! We look forward to seeing you and your parents at the meeting in your area.

Sincerely,

Kim Lorengo
Tour Director

STAR OF MONTANA

STAR OF MONTANA

You're invited to be a part of the 2026 Star of Montana European Tour.

Six countries in 16 days!

Concerts in fabulous locations
with great European audiences;
