

THE EUROPEAN TOUR OF A LIFETIME!

**Congratulations, European Traveler!**

Get ready to expand your musical horizons with the tour of a lifetime to Europe in 2026! You're eligible as a student nominated by your director for this amazing opportunity!

Dear European Traveler,

Congratulations! You have been selected by your music director to receive this invitation for a musical performance tour of Europe during the summer of 2026.

The Star of Southeast Texas is a select honor concert group composed of students from the southeast part of the state, chosen through director nominations. The 2024 tour was a huge success with nearly 300 participants from Texas and we anticipate another outstanding tour in 2026.

More information about the tour may be found by scanning the QR Code in this brochure. You'll also find a list of meetings in your area, where complete details regarding the tour will be provided.

The tour, scheduled for June 27–July 12, 2026, continues the tradition originally established years ago by Voyageurs International, Ltd., and has seen literally thousands of travelers having traveled and performed in Europe for nearly 50 years.

Congratulations on being selected! We look forward to seeing you and your parents at the meeting in your area.

Sincerely,

Andy Easton  
Tour Director

**STAR OF SOUTHEAST TEXAS**

**STAR OF SOUTHEAST TEXAS**

## You're invited to be a part of the 2026 Star of Southeast Texas European Tour.

Six countries in 16 days!

Concerts in fabulous locations
