What does it take to transform someone headed for the streets at age 14 into a world-class entertainer who's dazzled audiences both on stages and across national television in Canada, the United States, Italy, Australia, Germany and most recently, America's Got Talent Extreme!? If you've had the good fortune to witness Daniel Paulin – a.k.a. hypnotist/illusionist/mentalists/escape artist “Danny Zzzz” – in action, you'd know all it takes is a little magic!

The truth is, Daniel Paulin's evolution into a successful master magician, illusionist and in-demand purveyor of mind-blowing comedy hypnosis shows has less to do with magic and more to do with hard work, determination and his unyielding will to overcome fear at every turn. Rising from the adversity of a broken home that left him fending for himself as a young teen, Daniel began assembling the foundational building blocks of his career, first as a labourer, then as a musician, and eventually as a renowned tattoo artist and owner of a successful group of tattoo shops. Despite his early success in business, Daniel had dreams of success on a bigger stage, and he fearlessly jumped into a broadcast career as “Danimal,” the on-air host and producer with legendary Southern Ontario rock station 97.7 HTZ-FM.

An obsession with magic and a fascination with the power of the subconscious mind inspired Daniel's current career choice. As renowned illusionist, hypnotist and Escape Artist Danny Zzzz, the performer has competed on Chris Angel's “Phenomena” series, earned a deal on Dragon's Den, wowed audiences from Disney World to Las Vegas and, completed dizzying, death-defying escape on Italy's

a nationally televised “Tu Si Que Vales” talent show as well as Germany's "Das Supertalent". He has just successfully competed with a chosen few from around the world - on the first ever - America's Got Talent Extreme!!! In total, Daniel has performed over 4,000 shows across North America, where he inspires individuals and family audiences with his positive message of overcoming fear and adversity by believing in yourself. That's the true magic of Danny Zzzz.

The Danny Zzzz school program is an interactive presentation which includes a “Talk” outlining Danny Zzzz’s childhood and life after graduating high school in the Niagara region. It showcases the struggles and victories he experienced as he worked through school - graduating and finding success in business, then traveling the world as an entertainer. The talk is geared to inspire the young minds of our tomorrow! Students hear first hand an award winning story of pushing past “can’t” then into laughter with a fun filled show. The program ends with inspiring Comedy Mentalism and an incredible illusion.

This family friendly, clean content program is only offered in the Niagara Region. Danny Zzzz is a proud local business owner, raising a family with 5 children in St. Catharines.
