CARMEL POINTERS POLICY

(Approved April 14, 2015)

CARMEL POINTERS MISSION STATEMENT

The purpose of the **CARMEL POINTERS** newsletter is to provide news and information of interest to the community on a timely basis. The editor cooperates closely with the Board of Directors to ensure accurate reporting of community events and that the contents of the newsletter serves the best interests of the community. As elected officers, the Board has the responsibility and authority to insure compliance with this objective.

CARMEL POINTERS HISTORY

HISTORY: The **CARMEL POINTERS** is a monthly newsletter sent via email to all Carmel Pointe residents, free of charge. (It is hand delivered by Carmel Pointe volunteers to those not having access to a computer and/or preferring a hard copy.) Its founder, Jack Maxwell, was one of Carmel Pointe's original homeowners. Early on, Jack as its sole writer and editor, recognized the need for a communication tool for our community and started issuing the newsletter in 1997. Each month, he kept Carmel Pointe residents informed as to the state of our community, sparking our lives with his wit and wonderful sense of humor. He attended every HOA Board of Directors and Annual meetings to provide a neutral observation of Board actions and to offer the Board a "resident's viewpoint". His legacy continues with the **CARMEL POINTERS** continuing to be issued monthly and relied on by residents as the method of receiving pertinent community and HOA information.

In the fall of 2014, a mission statement was written for the **CARMEL POINTERS** and it was put under the newly created and Board approved Communications Committee. The continued goal of the newsletter remains to make every effort to continue to provide the high standard of content of information and Board reporting relevant to the community to the Carmel Pointe residents. As stated in the Communications Committee's Mission Statement, *to insure continued compliance with the objectives, the Board President or other designated Board member will provide final review and approval of the CARMEL POINTERS monthly newsletter before its distribution to the Carmel Pointe residents.*

CARMEL POINTER'S POLICY

1. The **CARMEL POINTERS'** editor requires Board of Directors approval.
2. The Board of Directors may replace the editor when it is deemed necessary for the benefit of the Carmel Pointe community because of the editor not complying with the **CARMEL POINTER's** Mission Statement.
3. The **CARMEL POINTERS** will be issued monthly except when there is no noteworthy information to be relayed to the Carmel Pointe residents, as jointly determined by the Board President and editor.
4. The newsletter will reflect a calendar-month of activity and/or reporting.
5. Contents of the newsletter will include a summary of the Board of Director's meetings to be approved by the President, articles from Committee Chairpersons relevant to the community, reports of committee activity, and any other articles deemed by the editor to be relevant to the community.
6. The editor has the approval of the Board to make modifications to an article or report submitted for publication for clarity, brevity and/or to fit the newsletter format.
7. The editor may not offer any personal opinions or personal beliefs when editing articles or reports.
8. Attachments may be included with the newsletter: Treasurer's Quarterly Financial Report; Carmel Pointe's updated Phone Directory; Carmel Pointe revised Organizational Chart; Announcement(s) for upcoming community event(s); and, any other attachment jointly approved by the President and editor deemed beneficial to residents.
9. All attachments must be approved by the editor prior to being included in a newsletter with the final approval prior to distribution provided by the President.

10. No more than three (3) attachments in addition to the newsletter will be issued on any given publication. This is to be coordinated by the editor with the resident(s) requesting an attachment be included with a given month's newsletter.
11. The newsletter and attachments should be printed on a timely basis to be distributed within three days of the first of the calendar-month to those requesting a hard copy.
12. Email distribution of the newsletter and attachments will be made no earlier than the last day of the previous month and no later than three days into the calendar-month.
13. The cost of printing the **CARMEL POINTERS** and attachments for those residents wishing a hard copy will be a budgeted item in the Carmel Pointe's HOA Annual Budget as a printing expense under Administrative Expenses.
14. It is the editor's responsibility to provide to the Treasurer upon request an estimated amount for the Annual budget for printing expense of the **CARMEL POINTERS**.
15. The editor will be reimbursed for the printing costs of the newsletter and attachments from the HOA by submitting an invoice to the representative of the management company.
16. Reimbursement for attachments supplied by a resident that has been approved by the editor (as compared to being a computer-generated attachment) shall be paid out of the printing expense account by the management company representative upon receipt of an invoice from the resident supplying the attachment.
17. Recommendations for articles for the newsletter may be submitted to the editor in a timely fashion prior to publication deadlines and will receive full consideration for publication.
18. The editor does have the prerogative to edit articles submitted for clarity, brevity and content with the "test" for consideration of any article being its interest to a majority of Carmel Pointe residents and/or the Carmel Pointe HOA.
19. An article may be pre-approved by the President with the editor applying Policy #18 when necessary.

1. Fees and assessments shall be paid by homeowner on a timely basis. Failure to pay on time may lead to late fees and possible legal action.
2. Dwellings shall be used solely as private residences. Commercial activity is not permitted.
3. All rental agreements of homeowner's properties must require tenant compliance with Association rules. Owners are responsible for both parties (renter and lease/rental- company) in non-compliance issues. If you intend to use your home as a rental property, you also need to comply with Arizona Revised Statutes (ARS).

- B. ARS 33-1260.01 now requires notification to HOA's when a property is leased.

- D. A Tenant Information Form is allowed to be completed entirely for each new lease. This form also needs to be signed by both the Homeowner/Designated Agent (if applicable) and the tenant.
- E. Tenant's must be provided with a copy of all the governing documents so that they are completely aware of their responsibilities regarding them. This information exchange is important to the safety of all CP residents in emergency situations.
- F. HOA's may elect to collect a \$25.00 fee for registering each new lease.
- G. You may designate an agent to manage your rental and receive all letters and notices. If you choose to do this, please include a copy of that designation when you send in the Tenant Information Form.

When collection service is scheduled between 6:00 AM and 10:00 AM for either the re-cycle or trash collection, only the re-cycle container that is scheduled for the earlier pick-up may be put out the night before the collection day. The trash container that is scheduled for pick-up after 10:00 AM or later should not be put out until the morning of the collection day. The containers should be removed from the street and stored by the evening of the scheduled pick-up. Containers should be placed on the blacktop, NOT CURBS, so the waste disposal truck's mechanical arm can properly manipulate the container.

CARMEL POINTE HOA

TREE POLICY

(Revised April 29, 2023)

MAINTENANCE OF TREES WITHIN THE OWNERS' FRONT YARDS

The Association is responsible for the maintenance and upkeep of landscaping within the front yard area. When an owner and/or landscaper suspects a tree of disease or identifies signs of root invasion involving the structure and/or plumbing, the Landscape Advisory Committee is notified. The Landscape Advisory Committee may wish to obtain the recommendation of a licensed Arborist. When the tree is considered unable to thrive or is a threat to the structure and/or plumbing, the Landscape Advisory Committee will authorize removal of the tree. The Association will bear the cost of the tree removal. Any damage to a home during the removal process will be the responsibility of the company that removes the tree.

The owner is responsible for any damage and repairs to roofs, sidewalks, driveways, plumbing and sewers for trees that have not been removed.

In keeping with the need to conserve water and have drought tolerant trees and plants, Carmel Pointe will no longer be held to maintaining the one tree per building standard. When a tree is removed, the Landscape Advisory Committee may, at its discretion, replace it with a drought tolerant plant/shrub suited to the desert climate.

When an owner wishes a healthy tree to be removed, the owner is responsible for getting approval for that removal and bears the cost of removal.

MAINTENANCE OF TREES IN COMMON AREAS

Any tree within the Common Areas which has been identified as posing a problem to the owner's structure and/or plumbing will be referred to the Landscaping Advisory Committee for evaluation by a licensed Arborist and possible removal by the Association. The owner is responsible for damages to their property by root invasion. If the owner protests the removal of the tree, they will sign the "Hold Harmless Agreement" and assume the costs of any damages.

Any damage to a home during the removal process will be the responsibility of the company that removes the tree.
