PROGRAM OVERVIEW:

The Judicial Mentor Program is designed to support attorneys interested in pursuing judicial service by providing guidance, professional insight, and structured mentorship from experienced judicial officers. The program aims to enhance understanding of the judicial appointments process, encourage professional development, and strengthen the pathway for qualified and diverse candidates seeking future judicial roles.

This meeting will introduce participants to the Judicial Mentor Program's objectives, expectations, and mentorship opportunities. Judicial officers will outline the application and appointments process, discuss pathways to the bench, and address commonly asked questions regarding preparation, ethics, community engagement, and professional qualifications.

WHO MAY ATTEND:

This meeting is open to attorneys practicing within San Luis Obispo County and neighboring jurisdictions who are interested in exploring judicial service or learning more about the mentorship program.

Court leadership, current mentors, and program coordinators will be present to provide information and answer questions.

Mentor. Inspire. Lead. The Bench Needs You.
