

Tournament Lake Selection Policy

Tennessee B.A.S.S. Nation

In the interest of participation by the general membership of the Tennessee B.A.S.S. Nation (TBN) in the selection of tournament lakes, the TBN Board of Directors adopts the following policy effective January 27, 2015:

- The selection of the lake(s) for the state tournament and state team tournament will rotate from year-to-year between East Tennessee, West Tennessee, and Middle Tennessee.
- The area director(s) from a host region will work with the state president and their respective club presidents and area clubs to select the tournament lake(s) for the designated calendar year. The area director(s), with the assistance of the state president, will work with appropriate chambers of commerce and other business entities to schedule and organize the tournaments. The state president will be responsible for signing any required contract approved by the area directors.
