

# Markers

The simplest standard form is the flat marker or grass marker. These are one piece markers, usually four or six inches thick. Often they are two to six feet long by one wide, but may be customized. Hickey markers are taller in back then front giving the top a beveled appearance. All markers are available in any stock color on our color chart. Below are various types of markers.

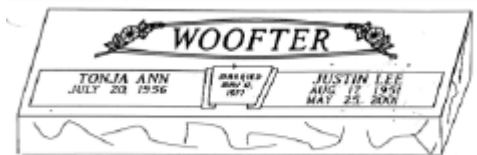

**SINGLE GRASS MARKER**

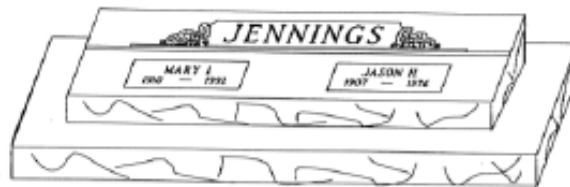

**SINGLE HICKEY MARKERS**

**DOUBLE GRASS MARKER**

**DOUBLE HICKEY MARKER**

**SINGLE OR DOUBLE HICKEY MARKER ON BASE**

**BABY MARKERS**
