THE GOOD NEWS

Vol. 2

GOOD & EVIL

“the Lord God Warned (*Adam*)
*‘You may freely eat the fruit of every
tree in the garden— except the tree of
the knowledge of good and evil.*

*If you eat its fruit,
you are sure to die.’”*

GENESIS 2 : 16 & 17

THE GOOD NEWS 2022

"You won't die!" The serpent replied to the woman. *'God knows that your eyes will be opened as soon as you eat it, and you will be like God, **knowing both good and evil.**'"*

GENESIS 3 : 4 & 5

God knew Adam and Eve ate the fruit of the tree of the knowledge of Good and Evil because they were aware of being naked. The knowledge of Good and Evil gave them polarity, gave them perspective, and their beingness was suddenly more than just being. Where they had only known being with each other, being hungry or tired, etc., after eating the fruit of the knowledge of Good and Evil, they had more perspective to understand their beingness included *being naked!*

"Then the Lord God said, *"Look, the human beings have become like us, **knowing both good and evil.** What if they reach out, take fruit from the tree of life, and eat it? Then they will live forever!"* So the Lord God banished them from the Garden of Eden, and he sent Adam out to cultivate the ground from which he had been made." GENESIS 3 : 22 & 23

Basically, we weren't ready for the knowledge, but since we had it, we were sent to learn how to choose Good, when Evil is an option.

*"But I say, love your enemies! (Bless those who curse you! Do good to those who hate you!) Pray for those who persecute you! In that way, you will be acting as true children of your Father in heaven. **For he (God) gives sunlight to both the evil and the good, and he sends rain on the just and the unjust alike.**"*

- Jesus

MATTHEW 5 : 44 & 45

MASTER SIN, DON'T GIVE IN GEN. 4 : 7

"You will be accepted if you do what is right. But if you refuse to do what is right, then watch out! Sin is crouching at the door, eager to control you. But you must subdue it and be its master." -God

With Free Will AND the knowledge of Good and Evil, one doesn't just have the choice to live as they want, they are aware of benefits and consequences too.

LOOK! GET SHOOK! GEN. 11 : 6 & 7

"Look!" He (the Lord) said, 'The people are united, and they all speak the same language. After this, nothing they set out to do will be impossible for them! Come, let's go down and confuse the people with different languages. Then they won't be able to understand each other.'

With Free Will AND the knowledge of Good and Evil, one doesn't just have the choice to choose benefits over consequences, but to overcome adversity too.

JESUS IS US MATT. 25 : 45

"And he will answer, 'I tell you the truth, when you refused to help the least of these my brothers and sisters, you were refusing to help me.'" -Jesus

With Free Will AND the knowledge of Good and Evil, one doesn't just have the choice to choose benefits, or to overcome, but to realize the purpose of the polarity too.

Sin existed before it was called sin, and that before was before Cain decided to kill Abel. What about that decision/sin made it sin enough that living in sin hereafter causes death? The knowledge of Good and Evil made Cain's purposeful killing of Abel Evil; he punished innocent Abel for his own anger at God. Cain needed to understand his evil, he had to feel the punishment of his life similarly robbed from him, but while aware.

So, we live with the knowledge of Good and Evil and Sin. Choosing to live a Good life without sin doesn't mean you choose a life without contrast/choices. The Knowledge of Good and Evil, remember, gives us constant contrast, constant decisions of not just what we think, do, or say, but how we perceive the world, other people, and what they think, do, or say. God made this apparent to us when we had to learn through our different languages.

Now, we're getting used to rising above adversity, communicating beyond our born cultures and languages, choosing love and forgiveness instead of hate and in/justice. There is another lesson for us to learn in the knowledge of Good and Evil, and that lesson is that both are born of the same tree. God. We have the knowledge, and the free will to choose what to do with it, how to act on it so, go forth and be awesome!
