ABOUT THIS FORM

A development application is to be accompanied by a report setting out an estimate of the proposed cost of carrying out the development.

The type of report required depends on the estimated cost of the development:

- If the estimated cost of the development is less than \$500,000 - a Cost Summary Report is required.
- If the estimated cost of the development is \$500,000 or more - a Detailed Cost Report (prepared by a quantity surveyor who is a registered member of the Australian Institute of Quantity Surveyors) is required.

This form provides the templates for submitting your cost report. Depending on the cost of works (as detailed above) you are required to complete either:

- Attachment 1 (Cost Summary Report); OR
- Attachment 2 (Registered Quantity Surveyor's Detailed Cost Report)

Note: upon reviewing a cost summary report or detailed cost report, the Council may, at the applicant's cost, require a further estimate to be provided by a registered quantity surveyor.

HOW TO LODGE THIS FORM

This form must be submitted to Council with the relevant development application.
