Urgent: Volunteers Needed for Nominating Committee

We still need :

2 Orchestra Only Parents

The BBOP Nominating Committee helps prepare for the next year by identifying and reaching out to members who may be interested in serving as officers for the next term. The committee's goal is to help ensure we have volunteers willing to fill each officer position. **The committee provides a starting point for nominations, but it does not limit who can be nominated.** Any eligible member may still be nominated by another member for a position outside the committee's recommendations. The goal is to encourage participation, find willing volunteers, and ensure BBOP has the leadership it needs for the year ahead.

We already have our 2 Band Only Parent and 1 Band and Orchestra Parent positions filled. **Please help us fill the need of the remaining positions.**

Volunteers for this committee must have a student currently in the program in grades 9-12.

Thank you for your consideration in helping!

BBOP Merchandise Committee

We are looking for volunteers to help staff our merchandise tables at each of our upcoming concerts.

The total time commitment is typically about 2 hours per concert!

*Please consider signing up to volunteer at a concert where your child will not be performing.
