COVER LETTER

Hello!

I am that calm, thoughtful, clear, and creative producer & director who knows Television, Web Production, Live Production, & Marketing and has produced in that capacity for MTV, VH1, CMT, Planet LA Records, The Backstreet Boys, Jennifer Lopez's NUVO TV, Ice Cube, Bhad Bhabie, Carnival Cruise Lines, Whole Foods, Oreck Vacuums, Adams Golf, Sonima.com, Diamond Comic Distributors, The Reality Wanted Awards, & The Orlando Magic

I have also Produced, Directed, & Written for Rachael Ray, Nickelodeon, Animal Planet, Discovery, Disney Digital, HGTV, ABC, CBS, The CW, and NBC.

I am a strong story producer / story editor familiar with AVID, Adobe Premiere, & Final Cut Pro.

There isn't a job in production I haven't done, nor a type of production I haven't produced, directed, or written. I have worked in Commercial, TV, Web, Music Video, Kid's Space, Infomercial, Industrial, Print, Radio, and Live Event / Live TV.

I am your utility belt producer willing and able to wear tons of hats, a non-complainer, and a team leader with genuine supervising and senior producing titles as part of my resume.

I am willing to work with all budgets.

I love this business and I am told by my colleagues my strengths are my experience, my compassion, my charisma, my humor, and my creativity.

I lead with inspiration, not intimidation and I pride myself on my deliberate intention to listen, to lead, and to be brave in my creative decisions and ideas.

I have traveled the world producing in Croatia, Australia, The Philippines, Canada, Mexico, Panama, all over the United States, and I recently returned from producing Discovery's Naked and Afraid in South Africa.

As your producer and/or director, I will exceed expectations, motivate with experience and passion, and bring humor, fun, and professionalism to the role.

Please enjoy the links on the side and feel free to call upon me anytime.

I am ready to work full time in a staff position or as a freelancer and I live in Los Angeles.

Sincerely,
Constantin Preda
