DEAR VACATION CREATION:

VACATION CREATION - SHOOTING SCRIPT
as of 3/8/17

Series Episode 125: A Healing Journey for Sarah & Shay

About a year ago, I married the love of my life, Sarah and while on our honeymoon, tragedy struck the both of us.

We got a call just one day into our honeymoon that our 6-year-old son, Kaden, had experienced an emergency, but the details were a bit unclear.

We immediately rushed back home to discover that he had choked on a piece of candy and just 2 days later, he was officially declared brain dead.

We made the hardest decision of our lives and had him removed from life support, as my wife held her hand over his heart until the very last beat.

This is why I am writing you: I want to nominate my wife Sarah for a vacation cruise to help us heal after such a devastating loss.

Nothing will ever replace our son Kaden, but at the very least, perhaps we can honor his memory with some time together, creating new ones while keeping him in our hearts.

Sincerely,
Shay Leigh
