## MUSIC FOR THE PHYSCHEDELIC SOUL

Greensboro, NC's The Hypnotic Conquest offers a captivating and adaptable live experience, blending psychedelic rock, bluesy grooves, and soulful melodies. At their core, Terrence Everhart (Bass), James Hilton (Drums), and Nic Hoover (Vocals/Guitar) create a powerful foundation. However, their primary lineup expands to a dynamic 5-piece with the addition of DJ "One L" and rapper "Tenacious," resulting in a vibrant fusion of funk, reggae, and rock often featuring electrifying improvisations. Percussionist Joe Keller also frequently enhances their performances. Recognizing diverse needs, The Hypnotic Conquest is also available as their formidable trio for budget-specific engagements. Their ability to deliver unforgettable performances in various configurations has led them to stages ranging from intimate get-togethers to festivals like Mantrabash, Live on Lot, and Camp Kind, and to share bills with national acts like The Wailers and George Clinton Parliament Funkadelic.
