

Bath * Kitchen * Lighting

Please use this checklist to help you prepare for your consultation. Having this information available will help you help your design consultant make the most of your time together. By no means is this a requirement just a useful sheet to help you during this process.

PREPARING FOR YOUR SHOWROOM CONSULTATION

- | | |
|--|---|
| <input type="checkbox"/> Pictures
Take photos of your room from different angles. Bring in photos of your inspiration from websites like Houzz or Pinterest or Instagram. | <input type="checkbox"/> Measurements
Bring blueprints of floor plans if you have them. Hand drawn diagrams work great as well. Make sure to mark where things currently are including appliances/sinks, toilets/tubs, and windows/doors. |
| <input type="checkbox"/> www.YourShowroomatTps.com
Start creating a Wishlist on our website at www.yourshowroomattps.com | <input type="checkbox"/> Special Requirements
Let us know if there are any limitations or needs due to your space or other circumstances. |
| <input type="checkbox"/> Your Name

_____ | <input type="checkbox"/> Builder/Planner/Plumber/Other Contractors
