SYMF 2026

SUPPORT THE SYO BERGEN 2026 SUMMER SCHOOL

The Shetland Youth Orchestra are taking over 35 young musicians to the city of Bergen to be immersed in an intensive summer school filled with workshops, expert tutoring, and the joy of playing music as a cohesive group. This is an opportunity to support talented young musicians as well as build bonds with our neighbours in Norway.

We are close to raising our £5,000 target to make this vision a reality.

Your support will provide these aspiring musicians with invaluable experiences that will shape their futures and inspire them to reach new heights in their musical journeys.
