

FRONT WEIGHTS
Cast iron range
MUFO-2

A guarantee of quality ; shock, crack propagation and deformation resistant ; durable. Mufo-2 range is characterised by its modern design, in perfect harmony with tractor's bodies

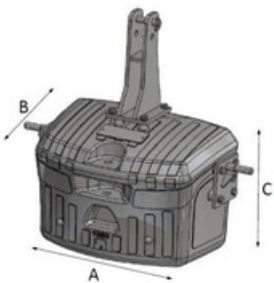

- Very compact, with minimal forward extension from the linkage arms
- Mounted to front linkage or directly to weight frame
- A 500kg add-on weight fixed to the front of any of the base units provides extra flexibility

Available colors

REFR.	Weight	3-point linkage Category	Width (A) mm	Depth (B) mm	Height (C) mm
205PRI96	MUFO-2 400kg	1 or 2	648	340	355
205PRI98	MUFO-2 ADD-ON 200kg	N/A	583	286	160
205PRI90	MUFO-2 600kg	2	713	416	520
205PRI91	MUFO-2 800kg	2	752	416	520
205PRI92	MUFO-2 1000kg	2	752	502	520
205PRI93	MUFO-2 1250kg	2	1073	603	520
205PRI94	MUFO-2 1500kg	2	1073	603	520
205PRI95	MUFO-2 1500kg	N/A	964	299	513
	MUFO-2 ADD-ON 500 kg				

Back plate to mount directly to the tractor weight frame

• Long side plates available if needed (according to specific front linkages)
