CAPABILITY STATEMENT

Company Overview

All-Tech Manufacturing LTD is a precision CNC machining company located in Akron, Ohio. With decades of experience, we specialize in manufacturing high-quality, tight-tolerance metal components for various industries, including aerospace, automotive, industrial equipment, and medical devices. Our state-of-the-art facility is equipped to handle both high-volume production and custom machining needs with a commitment to quality, efficiency, and customer satisfaction.

Core Competencies		Industries Served	
<ul style="list-style-type: none">• CNC Milling & Turning (High-Precision)• Tight-Tolerance Machining• Prototyping & Production Runs• Heat treating, Surface Finishing, & Polishing• Heat treating• Quality Inspection & Assurance• Custom Component Manufacturing		<ul style="list-style-type: none">• Aerospace & Defense• Automotive & Transportation• Medical Devices & Equipment• Industrial Equipment & Machinery	
History		Key Information	
<p>Founded in 1996, All-Tech Manufacturing has built a strong reputation as a trusted provider of precision-machined components with nearly three decades of experience. All-Tech Manufacturing has continued to expand its capabilities, investing in advanced CNC machining technology and refining processes to meet the exacting demands of our customers. Our commitment to quality, precision, and reliability has allowed us to establish long-standing relationships with key industry partners. As a registered government contractor, we are well-positioned to serve both commercial and government clients. Our facility is equipped to handle complex machining projects, delivering consistent, high-precision parts with tight tolerances. Today, All-Tech Manufacturing LTD remains dedicated to innovation, continuous improvement, and exceeding customer expectations.</p>		<ul style="list-style-type: none">• HUB Zone located <i>Certification Pending</i>• Woman Owned Small Business (WOSB) <i>Certification Pending</i>• NAICS codes: 332710 – Machine Shop 332721 – Precision Turned Product Manufacturing• CAGE Code: 07E32• UEI: TJFBX87YURU3• DUNS: 80-288-1342• ACH and Major credit cards accepted	
Differentiators		Past Performance	
<ul style="list-style-type: none">• Over 20 years of machining experience• ISO 9001-Compliant Quality Standards• Advanced CNC Equipment for High-Precision Machining• Strong Commitment to On-Time Delivery• Ability to Handle High-Volume, Repeat Production Runs• Quick turn capability for time critical situations		Our company has a proven track record of delivering high-quality machined components to industries requiring precision and reliability. We have long-standing relationships with key clients, consistently exceeding expectations in both quality and service.
