TITO KNOISE

DJ | PRODUCER | MUSIC INDUSTRY CONSULTANT

A supernova of a DJ/Producer and music industry professional. Tito Knoise started his journey in the music Industry as a DJ in 2009 , in just a few months after DJing for multiple universities in New Haven CT, such as University of New Haven, Southern State University and University of Connecticut, he quickly creating a name for himself an excellent reputation within the college crowd, which led him on a path towards major clubs in Connecticut and New York city.

Since his professional debut as a DJ in 2009, Tito has worked with dozens of venues all across the United States. Tito has also worked as Program Director for La Mezcla Radio where he had his own radio mix show. In addition, he also works with a record label called Mako Music Group as VP for the label's Latin Division.

What makes Tito Knoise different from other DJ/Producers is the energy and over a decade expertise he brings as a brand. Tito Knoise always takes pride in his work giving it 100%, whether it's as a DJ performer, music producer, mixing engineer or marketing and branding consultant. When a venue works with Tito with they get a DJ/Producer and an outsatanding performance, but they also, over a decade of clubs, private corporate events, music industry expertise as well as marketing and branding.

Tito Knoise has a partnership with Record label and management company called Latin Nites Music, and is the Co-Founder & CEO of Knoise Knation, LLC, a project management and Marketing company distributed by Symphonic Distro. Tito Knoise aspires to one day be a resource for who need support and guidance drom DJs, producers, audio enginerrrs artists and business managers.

"My goal is to educate and inspire people to create and build the life they deserve not only for them but also for their families and that eventually help them create generational wealth with their god-given gift as a creative"

--Tito Knoise
