Ms. Sian Wilson  
Principal  
Calabar High School  
61 Red Hills Road  
Kingston 20, St. Andrew.

**Re: Recognition of Teachers' Day 2025**

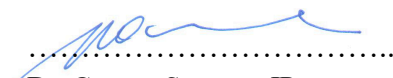

Dear Ms. Wilson,

Today, May 7<sup>th</sup>, 2025, is being celebrated as a special day of global appreciation for teachers. The parents and guardians of the boys joins the celebration in recognizing the existential special contribution of the teachers at Calabar.

Our school song bids our boys to go forth and become '*renown and famous for the honour of the school*', and many have done just that. Upon reflecting on their respective achievements, credit is often given to their teachers at Calabar. We take this opportunity to express our appreciation for the tireless work, love, care, and guidance that teachers give each day to our boys.

Please convey to the teachers our sincere gratitude and continued support of their endeavours to prepare our boys for the '*wider life to be*', as the boys themselves strive for '*The Utmost for the Highest*'.

Sincerely,

  
.....

Dr. George Stewart, JP.  
President, PTA.
