Mr. Michael McPherson
C/o Calabar Old Boys Association – Washington, DC Chapter

Mr. Karl Thompson
C/o Calabar High School Alumni Association Florida Chapter Inc.

Dear Sirs,

On behalf of the administration, staff, and wider school community, I extend our gratitude to you, all the chapters and stakeholders for your generous gift of **\$1,700,000** in honour of Teachers' Day 2025.

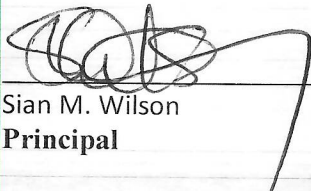

Thanks to your incredible support, we were able to host a truly memorable and meaningful day for our teachers. The day's events included a recognition ceremony highlighting teacher performance and contribution, a festive BBQ-style lunch, the presentation of thoughtful tokens of appreciation, and a wonderfully received "sip and paint" session to close out the celebration.

We were especially honoured to have the President of COBA Jamaica, Major Desmon Brown present to bring greetings on behalf of all chapters and to assist with the distribution of awards. His presence underscored the unity and commitment of our stakeholders to the ongoing development and morale of our teaching staff.

Your partnership continues to affirm the vital role you play in the life of the school and the tremendous impact your generosity has on our team. We thank you for making Teachers' Day 2025 one of the most special celebrations yet and for reminding our educators that their work is seen, valued, and celebrated.

We look forward to continued collaboration in service of excellence at Calabar; The Utmost for the Highest.

With warmest thanks,

Sian M. Wilson
Principal
