About ZOYFEX

ZOYFEX, a proud subsidiary of the ZOYCAR Group, specializes in the sourcing and export of premium fruits and vegetables from trusted farms across Egypt, Morocco, India, Turkey, Portugal, and beyond. Our mission is to deliver natural freshness and consistent quality to clients worldwide. Through our multi-origin network and strict quality control, we ensure every shipment meets international standards for safety, flavour, and presentation.

Citrus & Tropical Fruits

From sun-kissed citrus groves to lush tropical plantations, ZOYFEX offers a wide range of export-ready fruits including oranges, sweet lime, mangoes, papayas, avocados, guava, dragon fruit, and more.

Fruits for Retail & Export

Our fruit portfolio is designed for both wholesale distribution and retail shelves. Each item is carefully selected for taste, shelf life, and visual appeal. Products include apples, strawberries, grapes, pomegranates, and figs.

Fresh Vegetables

ZOYFEX supplies an extensive selection of farm-fresh vegetables, from leafy greens to root crops. Our key export items include tomatoes, cucumbers, peppers, lettuce, onions, potatoes, and specialty items like okra and zucchini.

Wellness & Specialty Products

To meet the growing demand for health-focused products, we also export a select range of wellness and specialty produce such as fresh turmeric, coconuts, fox nuts (makhana), and herbs including mint and parsley.

Quality & Packaging

Every ZOYFEX shipment undergoes strict grading, sorting, and packaging processes to ensure product integrity during transport. Our packing options include 5kg and 10kg cartons, ventilated crates, and customized branding for private label exports.

Global Presence

With offices strategically located across Egypt, Italy, Morocco, Portugal, UAE, KSA, and Turkey, ZOYFEX manages a global supply chain ensuring consistent availability, market insight, and quick response to client needs.
