BALDWIN + HOMPSON (Cliff Baldwin and Davi Det Hompson)

GUSH

Edition of 25 in variation, plus 2 artist's copies, found short-sleeved shirts, embroidered on left front, above pocket, with 3 x 4.5-inch embroidered word "GUSH"; shirt hangs on a plywood hanger branded with the BALDWIN + HOMPSON logotype. BALDWIN + HOMPSON, Richmond, Virginia, 1984
\$150

The shirts are another one of our "word substitutions"; works that replace existing info-advertisements with BALDWIN + HOMPSON's slap-stick eroticisms. In this case, we are playing against the "company uniform" with its dull color and employee name patch.

- Davi Det Hompson, 1984
