PROFILE

Lifetime avid fisherman with excellent interpersonal skills, interested in helping people have an amazing fishing and outdoor experience. Excited to visit new places while introducing clients to the expansive world of fly fishing. Motivated to engage with all aspects of resort work and maintenance.

FISHING EXPERIENCE

Proficient in many styles of fishing, including fly fishing (nymphing, indicator, streamer, dry fly), jigging, trolling, top-lining, down-rigging, casting, Tenkara, and hand line.

Primary experience with bass, bluegill, bowfin, cichlids, and catfish in Texas, and trout (rainbow, cutthroat, brown, brook, golden, mackinaw), Kokanee, crappie, and more bass in California, as well as assorted ocean fish occasionally.

Experience fishing from shore, large and small boats, kayak, paddleboard, float tube, and drift boat. Extensive experience with 14' outboard in Tahoe Keys canals and on open water (often rough) in Lake Tahoe; lots of time following depth contours for down-rigging; several seasons driving a 20' aluminum fishing boat; extensive experience with kayak and canoe in close quarters, and some open water.

Large and small bodies of water, from small private ponds to Pyramid Lake and Lake Tahoe (including drainage ditches when desperate), bayous, mountain streams and rivers including the Truckee and the American, and the Pacific Ocean.

6-year member of Tahoe-Truckee Fly Fishers Club.
