Who We Are

At Advancements Unlimited, we are dedicated Nurses providing essential educational resources for highly motivated individuals looking to enter the allied health field. Our classes are designed to equip you with the foundational knowledge necessary for success in your healthcare career.

Our Courses

We offer a variety of classes including, but not limited to: Job Readiness, IV Certification, Medical Terminology, Dosage Calculation, LPN and RN NCLEX Reviews, Anatomy and Physiology. Each course is tailored to ensure you grasp critical concepts and skills needed for further studies in healthcare.

Why Choose Us

Choosing Advancements Unlimited you express an interest in investing in comprehensive educational experiences. Our instructors are experienced professionals who are passionate about teaching and committed to success in your healthcare journey. You will receive an Advancement Unlimited Certification of Training upon successful completion of the course,

Have you longed for a career in healthcare?

Entrance exams keeping you away from your healthcare goals?

Need help getting a career in healthcare started?

Our program is highly recommended for students considering Allied Health courses; however, participation does not guarantee acceptance into any of the Allied Health programs. Tuition is non-refundable, except in extenuating circumstances where you may be rescheduled on standby in a future class. Any applicant "No call, no show" will not be refunded or rescheduled.
