## Pre-Nursing Remediation RN/LPN NCLEX

**Faith Luss RN, BSN, Director**

This program is designed for individuals pursuing careers in nursing, Remedial Training for the NCLEX, and Grads getting ready for their Licensure Exams.

- **Pre-Nursing**

Students can attend any class related to specific systems they need or want to review. Classes include:

Basic Anatomy and Physiology, OB, Pediatrics, and Mental Health.

- **Remediation**

Graduate Nurses who have taken the NCLEX Exams 2 or more times and required to take remedial courses before re-examination. They must complete required classes to be eligible to receive certification of completion to present to the State Board of Nursing.

- **NCLEX Review**

Students who want to be prepared for upcoming classes or prepare for the NCLEX can attend as many classes they desire.

### Monthly CLASS Schedule Includes:

**\*Pre-Nursing/Remediation/NCLEX**

**\*Basic Dosage Calculations**

**\*Nursing Portfolio (FREE)**

**\*Medical Terminology**

**\*Job Readiness (FREE)**

**\*IV Certification**

**\*Phlebotomy I, II, III, IV**
