SEEDS OF SUCCESS ADVANCEMENTS UNLIMITED

Allied Health Mentoring

Who Is This Program For

This program is designed for individuals pursuing careers in allied health positions, those employed in medical and nursing facilities in supportive roles, and individuals seeking advancement in their current employment. These classes aim to enhance skills, knowledge, and exposure preparing students to become future nursing and allied healthcare professionals.

Our Courses

We offer a variety of classes including, but not limited to: Job Readiness, IV Certification, Medical Terminology, Dosage Calculation, LPN and RN NCLEX Reviews, Anatomy and Physiology. Each course is tailored to ensure students grasp critical concepts and skills needed for further studies in healthcare.

Who We Are

At Advancements Unlimited, we are dedicated Nurses providing essential educational resources for highly motivated individuals looking to enter the allied health field. Our classes are designed to equip you with the foundational knowledge necessary for success in your healthcare career.

**Have you
longed for a
career in
healthcare?**

Selecting Advancements Unlimited indicates an interest in investing in comprehensive educational experiences. Our instructors are experienced professionals who are passionate about teaching and committed to success in your healthcare journey. You will receive an Advancement Unlimited Training Certification upon successful completion of each course,

Each class is designed to be affordable. Tuition varies upon subject content, training requirements, and number of class days. However, periodic discounts and free classes will be made available to first-come, first serve registrants. Keep in mind the classroom will accommodate only ten (10) students per class.
