OUR STORY

Southern Smoke is a new soul food catering and meal delivery service located in the heart of Grand Rapids Michigan. With over 25 years of experience in cooking authentic soul food recipes. The chefs and cooks pride themselves in using only fresh ingredients and cooking from scratch which is an important part of cooking soul food. Located in the Grand Rapids Downtown Market is where you can find this Diamond in the Ruff that we call Southern Smoke! Inspired by my Great-Grandmother Corrine Hill-Abernathy who was one of the best cooks I knew. I decided that it was time for Grand Rapids to experience some of the wonderful and heart-warming foods that I grew up on as a child. They were always soulfully delicious!
