JESUS wants YOU!

Join the Lord's Army to "Zoom ore the enemy" as we enter special forces training to prepare for **Missions and Ministry through MENTORING** on Tuesdays at 10, beginning the day after Labor Day!

Will you enter boot camp to become a laborer in the Lord's harvest field? Will you accept the challenge to walk alongside ONE person as a mentor, encourager and prayer partner? Many of God's precious children have never heard an encouraging word. They may have never experienced the love of Jesus through another's eyes or heart or hands and feet. Will you be His representative to someone somewhere in the world? How about right here at home... in our own community?

The great CO -Mission given by our Lord Jesus commands us to Go make disciples. This is not a Mission Impossible [M:I] because we know that with God, nothing is impossible! Sub-Mission is the hard part: submission to training, submission to love others, submission to rearranging our time and lives to obey the Lord's command.

Will you save the **Second and Last Tuesday** of each month, September 2020 to June 2021, to participate in a series of workshops using one or more of these training methods?

- In-person at the ELBA Office,
- On-line Zoom video-conferences,
- Phone audio conference calls,
- Independent study, and/or
- Two-by-two partnership learning (practicing mentorship/fellowship)
