C. CONTINUING MEMBERSHIP OF AFFILIATED CHURCHES

One of the purposes of an Association is to maintain biblical, theological, and ecclesiastical integrity among Baptists. While the Association cannot tell a church what its beliefs and practices should be, the Association can insist that any member church meet certain standards that define a Baptist church. Credential requirements and a screening committee are necessary for associational churches to maintain relationships with churches of like faith, order, and practice. Eastern Louisiana Baptist Association extends membership only to churches that meet Associational standards for faith, order, and practice. Any member church that no longer meets these standards will be subject to dismissal.

The basic theological and ecclesiastical order expressed in the Baptist Faith and Message is our test for membership. All member churches will subscribe to or affirm the current Baptist Faith and Message as our doctrinal standard. Other, more specific criteria used to measure like faith, order, and practice include the following:

- The Bible is our sole authority of faith, order and practice.
- A Baptist church is a body of baptized believers.
- Baptism is by water immersion upon confession of faith in Christ.
- The Lord's Supper commemorates the death of Christ, causes us to remember the cross, and

- helps us to anticipate his second coming.
- Eastern Louisiana Baptist Association **encourages churches to cooperate with the Louisiana Baptist Convention and the Southern Baptist Convention.**
- Scriptural officers of a church are pastors and deacons. We believe that churches are pastor-led, deacon-served, and congregationally-governed, all under the headship of Christ. **Scripture directs that the office of pastor shall be reserved for men.**

D. DEFINITION OF A CONTINUING COOPERATING CHURCH

A cooperating church in the Association shall be defined as one which does the following:

1. Maintains faith, order, and practice consistent with the Baptist Faith and Message.
2. Contributes financially to support the work of the Association.
3. Reports to the Association each year in a timely fashion using the Annual Church Profile.
4. Elects messengers to the annual meeting of the Association.
5. Participates in cooperating ministries.

Failure to maintain meaningful participation through these means for a period of two years in succession shall invite inquiries from the Credentials Committee as to the church's future intentions regarding participation in the Association.

E. CHURCHES ON PROBATIONARY STATUS

When a serious question has been raised about a member church's faith, order, or practice, the Association or Executive Team, by a majority vote, shall ask the Credentials Committee to investigate the charges and bring a report of its findings at the next meeting of the Association.

- The Credentials Committee shall investigate and present a recommendation that the church be: 1) Absolved of the charges, if based on erroneous information; 2) Restored, if the church has corrected the problem; 3) Placed on probationary status for a period of one year, in hopes the problem can be corrected. Two-thirds vote of the messengers present shall be necessary to place a church on probation.
- Messengers from a church that is under scrutiny by the Association shall not be allowed to vote on matters to come before the body until the church has been cleared of the charges made against it. This prohibition includes matters related to its own status in the Association.
- Should a member church be placed on probationary status, the Credentials Committee shall continue to dialogue with the church and encourage renunciation of the aberrant faith, order, or practice.
- Upon completion of the probationary period, the Credentials Committee shall recommend that the church be restored to membership in the Association along with any necessary contingencies or dismissed from the Association because of aberrant faith, order, or practice.

F. REMOVAL

The Association shall be at liberty to withdraw its affiliation from any church, which has failed to evidence doctrinal soundness, spiritual unanimity, accord, and cooperation with the Association. The following action shall be taken: The Executive Team shall refer such actions to the Credentials Committee for review and recommendation at the next Associational Annual Meeting.
