

On a motion of Rufus Jewell and  
seconded by JC Puckett.

The Hart County Fiscal Court, after following  
KRS 178.050 on the petition of Dr. John T. Bates, the  
proper posting of notifications and advertisements, and  
receiving a written report from two selected viewers and  
the County Road Supervisor; do now discontinue the  
following portion of a road from the County Road System  
as established in Kentucky Ordinance Code 620.1 and  
eliminate that road from maintenance and responsibility.

Lawler (Rush) Bend Road      0.87 mi.      Discontinued from  
the W. R. Wilkerson property line South to the end  
of the County Road. This leaves the Lawler (Rush)  
Bend Road now at a length of 1.3 mi.

— Entire Road closed  
9-9-80

The following viewers Willie McCoy and Walters Lawler along with Hart County Road Supervisor Tom Houk viewed the Lawler-Rush Bend Road on April 22, 1980.

The following were their observations:

- A. The closing of the road would cause no family, individual, or property owner to be landlocked. One individual owns all the property surrounding that road.
- B. No inconvenience to the public would be incurred by the closing of the road.
