

HART COUNTY BRIDGE REPAIR SYSTEMS

KOC 620.63

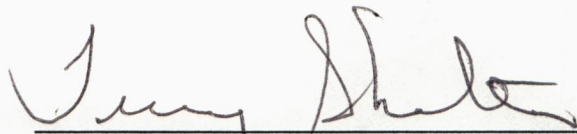

WHEREAS, the Hart County Fiscal Court established a formal road system by county ordinances KOC 620.1 through 650.52; and

WHEREAS, ordinance KOC 620.63 states that the Hart Fiscal Court has determined that it is in the interest of public safety that any new bridge or replaced bridge be constructed of concrete

NOW, BE IT ORDAINED BY THE FISCAL COURT OF THE COUNTY OF HART, COMMONWEALTH OF KENTUCKY, THAT any new bridges built on the county road system or to be taken into the county road system are to be constructed of concrete with the exception of the rails or sides which may be wood or metal.

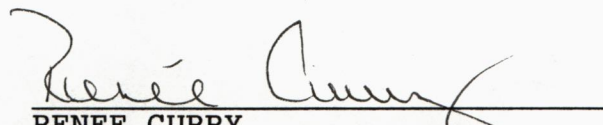

Any bridge now in the county road system which is of wood construction and is now damaged or is in the future damaged in excess of 50% will be replaced with concrete with the exception of the rails or sides which may be of wood or metal.

Enacted this the 17th day of April, 1997.
