

## MP-02

Modular Shelving System designed to seamlessly integrate with any space. Flush mounted brass plates mate beveled hard wood shelves to steel monoposts for a minimal, floating aesthetic.

Single and double sided posts with incremental mount locations facilitate perpetual customization and limitless modularity.

On-Center post width increment // 6 (152.5)  
 Vertical location increments // 7 (178)  
 Levelling feet fasten to framing / blocking in wall  
 Feet fastened / adhered to floor below
