

The world's best travel advisors selected KOZIKICKS as a genius item they always pack when going on a trip. The article on [Travel + Leisure's website](#), lists 38 products that were chosen by seasoned travel planners. Our lightweight travel slippers made their way to the don't leave home without them list of must-have items by David Rubin, a luxury travel advisor at DavidTravel. He stated, "No footwear is lighter or thinner, so they are ideal for travel. They are perfect for the plane, hotel gym, beach, and walking."

The plush interior keeps your feet toasty warm with a snug yet breathable fit. If you've never tried them, you need to slip in and escape to a level of comfort you've never felt before. These are not your grandma's slippers. KOZIKICKS were modeled with the same less is more philosophy that has made FITKICKS such a hit, with an added cushion and lining. Rubin continued, "Also, I love that they were created with a minimalist ideology that incorporates a stylish edge."

The indoor/outdoor sole consists of durable gripper nubs with non-slip FLEX FORM™ technology to allow you to move beyond your living room. KOZIKICKS have the same versatility as FITKICKS with easy fold-and-go transport, reinforced toe guard, and signature grip strap, plus an added bonus of softness.

Now everyone can get a bit KOZI! The women's are available in four colors and four sizes, and now the NEW Men's Edition are available in two colors and four sizes. This is the perfect time to have KOZIKICKS slippers in your store with colder weather and thoughts of travel on many people's minds.
