## IF YOU SCHEDULED A TOUR

Our school is located at the back of the Holy Spirit Parish Campus. You will take the road past the main church office. We are the building located across from the field with the small paved parking lot and two handicap spots. Our main door is directly across from the water fountain and crosswalk. Please call if you have any trouble finding us!

If you have received the HSCDA Enrollment Packet before your tour date, please bring the completed packet with you to speed up the enrollment or waiting pool process. We don't want you to miss the opportunity if a space at our school becomes available!
