WHAT WE DO

Crafted in the USA, our designer furniture gives rise to the world's finest immersive AV systems, then lets them vanish without a trace.

From credenzas to window seats and console tables, Vanish integrates top name-brand technology into custom pieces that elevate even the most refined interiors.

Our Ultra Short Throw projectors and automatic 84"– 120" screens deliver an immersive experience for sports, shows, and music, plug-and-play with no walls to open or wires to run.

The ultimate lifestyle upgrade for your home.
