To whom it may concern:

It is that time of year to start thinking about the 2022, 53rd Annual Tipton County Pork Festival. In an effort to make the festival better each year, we are offering Sponsorship Packages. The festival attracts over 80,000 people to down town Tipton in a three day period!

We feel this will be a great opportunity to promote your business and support the festival. We have included an outline of the different sponsorship packages that we are offering.

We hope that you will take the opportunity to market your business this year and to be involved with a great festival in down town Tipton.

We also welcome anyone that is interested in volunteering their time to help during the festival to reach out to us as well.

Please feel free to give me a call with questions. I will be glad to go over the different levels of sponsorships available. I can be reached at 317-376-2406.

Sincerely,

Jessica McKinney
