To Whom It May Concern

Re: Reference Letter for Faith Nhlapo

My name is Lindiwe Bardill and I am writing to confirm that I have worked with Ms. Faith Nhlapo and recommend her as a change management professional.

I currently work as a Consultant for Korn Ferry Hay Group and have done for the past 2 years. In 2016 I had the pleasure of working with Ms. Nhlapo during her assignment with a mutual client as a Change Management Lead Consultant. Together we delivered the following key deliverables:

1. Developed and delivered a Change Management Approach, Case For Change and translated a New Vision for the organisation
2. Developed and implemented Corporate Communiques for awareness and understanding to support the change process
3. Developed and conducted Change Readiness workshops and on-boarded Senior Management
4. Designed and wrote the final close-out report

I experienced Ms. Nhlapo as a dynamic, experienced and skilled change management professional and project stream lead and have no hesitation in recommending her for the position for which she is applying.

Should you wish to contact me for any further information, please do so on Lindiwe.bardill@kornferry.com

Sincerely,

Lindiwe Bardill
