Streets and Common Grounds: Nick Perris, Chair & Ray Levendusky

Ray L. had invited Town Manager Rodney Collins to attend the meeting to discuss issues of speed limits and overnight parking on streets.

Mr. Collins attended the meeting and sent the following reply:

“I appreciated the opportunity to meet with you. Due to the fact that the ways [streets] in question are “public” and not private, MGL Chapter 90, Section 18 doesn’t apply. In terms of speed limits, it is my understanding that the current speed is 25 mph on the referenced ways. At the October 2018 Town Meeting, the Town of Mashpee voted to accept the provisions of Chapter 90, Section 17C. This enables the Board of Selectmen to reduce speed limits through a streamlined process compared to the former more convoluted and bureaucratic process. However, the board cannot reduce the speed to lower than 25 mph so it would appear that the current speed limit is the lowest it can be established at. Your primary concern was to establish “no parking” on all streets. The Board of Selectmen are authorized to take such action by majority vote and public notice. I am prepared to bring the list of streets before the board to establish the referenced “no parking” zones on either side of the streets. Please provide a complete list of the streets that will be impacted by the restriction that your board/association oversees. The board meets June 17th and provides us adequate time for public notice. In addition to the list of streets, it would be helpful for a board member to attend to represent your views. If you have any questions, please don’t hesitate to contact me....”

Nick has new tennis court keys, see posting on the Bulletin Board for details.

New Business:

**MARK YOUR CALENDARS— ASSOCIATION ANNUAL MEETING IS
SATURDAY, SEPTEMBER 14, 2019, 12 NOON, AT THE MASHPEE LIBRARY.**

Next meeting ; June 20, 2019

Adjourned: 8:05 pm
