

PBIS – SOAR store login instructions

VanderMolen Elementary is proud to participate in the PBIS Rewards system. PBIS stands for Positive Behavioral Interventions & Supports. This is a system where teachers, staff, and administrators reward students for the positive behavior that students exhibit during their educational years at VanderMolen and incentivizes the students by offering small prizes/rewards/experiences. This method is used to improve school culture and student behavior, promoting a safe environment for learning.

At VanderMolen Elementary specifically, when a student is acknowledged for exhibiting positive behaviors through our SOAR values (**S**afety, **O**wnership, **A**cceptance, **R**espect) the student receives a point. Students earn points throughout the school year and each month the SOAR store opens where students can redeem their points for small prizes or experiences.

VanderMolen's SOAR store is stocked and managed solely by the VanderMolen PTA and is open each month for 5 days. A schedule is posted via our social media channels. [You can find our handles below.]

In addition to the SOAR store, there is also a Principal/Assistant Principal store that is also open during the same time, offering a variety of experiences for the students. Some teachers also offer a personal store where students can redeem points.

If you have any questions, please contact the VanderMolen PTA and we'll assist you as best as we can.
