Meeting was called to order by Yesenia Sanchez-Gutierrez (Director of Marketing) at 6:00 pm.

Yesenia Sanchez-Gutierrez (Director of Marketing) and Karent Hernandez (Webmaster) hosted the meeting on the topic of buddy pairing with activities that allowed our members to socialize with each other and the executive board. With a powerpoint, they described what it takes to be the best buddy, what takeaways you'll get from having a buddy, creating mutual goals, and celebrating each other's wins. Two socializing activities were held through an icebreaker in the beginning and a 1 on 1 competition between two members whose task was to pitch an idea to the members.

Erica Garcia (President) and Samuel Reyes Aguilar (Vice President) paired up our executive board officers with our general members. After being paired up, the members got to know their E-board buddy better by a series of questions that were posted on the powerpoint. The executive board officers and the members will be each other's buddies for the rest of the semester. This buddy system will serve as additional help for our members in case of any questions or concerns they may have.

Announcements were held in the end for upcoming events in the next few weeks. Our next general meeting was announced on the topic of accounting along with our next social (bowling night) on March 3rd at 6 pm, and our next volunteering opportunity with Beautify Fresno on March 11th.
