Meeting was called to order by President Garcia at 6:05 pm.

President Garcia welcomed our members to our accounting night.

With a powerpoint, President Garcia introduced the main points for the night being buddy catch up, surveys regarding Kids Day and Panda Express Fundraiser, announcements for upcoming events, and our guest speaker, Angie Garcia. To start off the meeting, we began with a buddy catch up for five minutes in which we caught up with our buddies and answered a series of questions. With a QR code, a survey was conducted to receive the availability of times and dates that our members will be available for the Panda Express Fundraiser. With a second QR code, a survey was conducted to ask our members if they'll be able to attend the Kids Day Event and what times they'd be able to participate.

Angie Garcia was our guest speaker for accounting night. Bringing back Alumni for general meetings is a great way for our members to see first hand how ours have been impacted by H.B.S.A. Angie Garcia has experience working as an auditor, fraud investigator, and special investigator. She described how H.B.S.A. allowed her the opportunity to experience the college lifestyle because of the people she was able to meet that later turned into long time friendships. She discussed how after graduating she explored a lot of fields within the accounting field, some of them being with the government. Our members learned a lot about how working with the government can provide a lot of benefits for them in availability, holidays, and retirement if that's something they would ever be interested in.

President Garcia concluded the meeting with announcements and encouraged our members to attend these upcoming events. Our next meeting on March 1st at 6 pm was announced but the location was said to still be determined. The next announcement was the Fresno State Recruit 99 Career and Internship Fair on February 28th and March 1st from 12:00 pm to 4:00 pm. Our members were reminded of our social night (bowling) at 6 pm on March 3rd and volunteering event with Beautify Fresno on March 11th at 10 am with location to be determined.
